White House Products Ltd, Kelburn Business Park, Port Glasgow, Renfrewshire, PA14 6TD, Great Britain

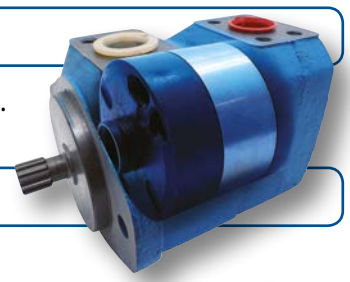

Welcome to the White House Products Ltd Catalogue

Our promise to you...

- That over 90% of orders are delivered from stock!
- That all UK back orders are delivered FOC.
- That all stocked UK single pump and motor orders not requiring modification ordered before 4pm will be dispatched the SAME DAY.
- That any part supplied by us in error and unused by you will be collected by our courier from you and credited in full - inclusive of any carriage and packing costs - on its return.
- That any part ordered in error by you and returned to us as new will be credited in full against the correct replacement supplied by us.
- That we shall try our very best at all times to provide you with what you want.
- That if we don't have a particular pump or motor in stock we will offer to manufacture a replacement where this is possible.

Ex-Stock Availability

All items shown in this catalogue are stock items and therefore normally available for immediate despatch.
