White House Products Ltd, Kelburn Business Park, Port Glasgow, Renfrewshire, PA14 6TD, Great Britain

Welcome to the White House Products Ltd Catalogue

Our promise to you...

- That over 90% of orders are delivered from stock!
- That all UK back orders are delivered FOC.
- That all stocked UK single pump and motor orders not requiring modification ordered before 4pm will be dispatched the SAME DAY.
- That any part supplied by us in error and unused by you will be collected by our courier from you and credited in full - inclusive of any carriage and packing costs - on its return.
- That any part ordered in error by you and returned to us as new will be credited in full against the correct replacement supplied by us.
- That we shall try our very best at all times to provide you with what you want.
- That if we don't have a particular pump or motor in stock we will offer to manufacture a replacement where this is possible.

Ex-Stock Availability

All items shown in this catalogue are stock items and therefore normally available for immediate despatch.

🌐 **Prices and secure online ordering at**
www.whp.co.uk

To obtain prices from our website you need to have a username and password. If you don't have these, please register by going to www.whp.co.uk and clicking on *Register*. You will get a username and password by return.

Internet ordering can be done using a credit account, if this has already been set up, or by credit card. To provide total security to our credit card customers, payments are transacted using Sage Pay's secure server.

Non Standard Piston Motors

By whatever means you use, we look forward to hearing from you!

Non Standard Piston Motors

On the following page is a small selection of the range of Non Standard Piston Motors supplied by White House Products Ltd to suit particular applications.

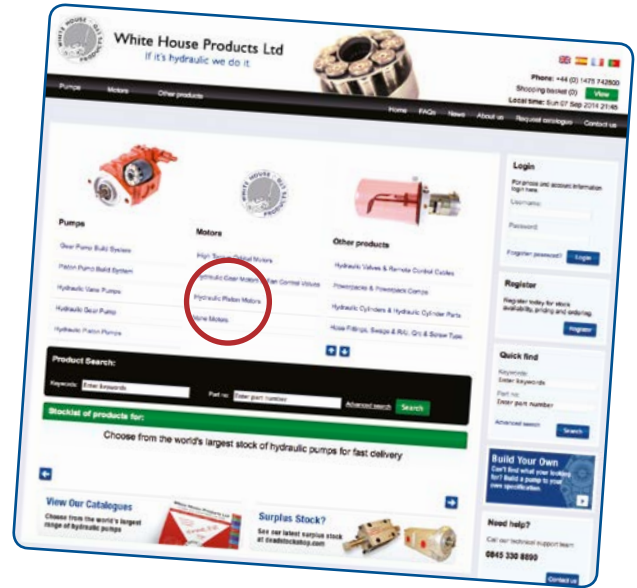

Prices and Availability - check website

All of the motors listed are normally available from stock. For prices and to check availability, log on to our website www.whp.co.uk and follow the instructions below:

Put the White House Products' part number into the *Part No.* field of the the *Quick Find* box.

This should bring up the *Product Record*.

Double click on the *Part Number* shown in blue to view further information on the motor. If you are registered, this will give you price, availability, weight and a photograph to match against the original.

Specifications not listed - check website

If you have a Non Standard Piston Motor requirement not shown in the catalogue, log on to www.whp.co.uk and follow the instructions below:

Use the *Quick Find* box on the right hand side of the website homepage (*Keywords* search).

Enter the OEM number or number from the motor into the *Keywords* box and then *Search*.

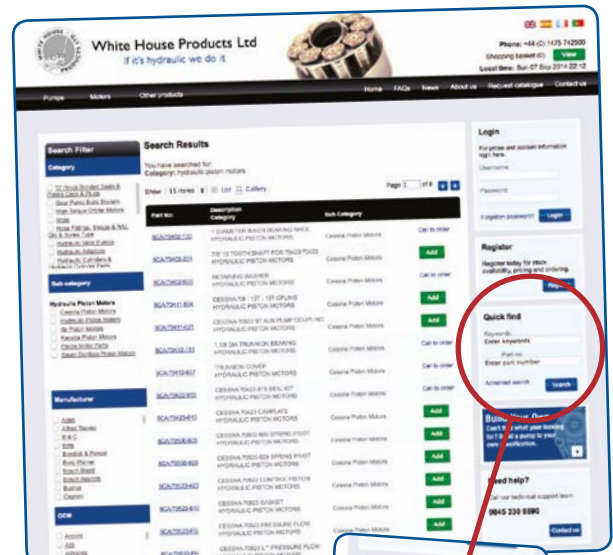

If you are unable to find a motor under the OEM name, it may be one that we have not been able to assign to an OEM, in which case it will be listed under the motor manufacturer's name, e.g. Bosch, Sauer Danfoss etc.

In this case, Select *Motors* from top centre section of the Home Page and click on the type of motor you require.

On the left hand side of the home page, a list of Sub Category options are shown.

Select the options that match your requirement.

Review list of given Motors.

Information without using our website

If you want an answer without using the website, please contact us using the details at the bottom of the page.
